

Checklist of Income Verification Documents

Here's a checklist of the documents you can submit to verify your household income. Preparing these documents ahead of time and having them ready to upload to our secure platform will help speed up the verification process. Please make sure to provide income documentation for ALL members of your household. If you are automatically approved by our income verification service during the application process, you will not be asked to provide any documentation.

If at least one member of your household is currently enrolled in a recognized program, you may submit proof of enrollment instead of income documentation. You can upload either proof of enrollment in a recognized program OR proof of income. Please refer to the list of recognized programs below.
